1.3.2 Institution familiarizes students with the diversities in the school system in India as well as in international and comparative perspectives.

To provide an understanding of and familiarise students with the diversities in the school system the TEI undertakes various measures. Nirmala Memorial Foundation College of Education in keeping pace with the changing needs of education is updating from time to time about the latest new changes in the area of Education. Nirmala Memorial Foundation College of Education took the initiative to introduce diversities in the Indian school system, its working and management.

For this very purpose, TEI carried out student development programmes. Each SDP is carried out online mode. The SDP is carried out in association with the next educational institute (MOU). Students as well as teachers were asked to attend the development programme.

The **First SDP** was held in collaboration with Rawal College of Education, Meera Road from **10th October 2020 to 14th October 2020**, including both days. The subjects for this programme are as follows.

- a) History of Modern School System India and Maharashtra.
- b) Concept of School Development in Maharashtra.
- c) The Educational System in India–GNU –Project–Free Software Foundation.
- d) Role of teacher in School Development and School Management.

The **Second SDP** was held in the period of **21st November 2021 to 24th November 2021**. The subjects for the second SDP are as –

- a) Concept clarification of the International School System?
- b) Differences between Public Schools and International Schools.
- c) Methodology of teaching practices and Academic Systems of International Schools.
- d) Adoption of Good Managerial Practices from International Schools to Normal Schools.

The main theme of this day was **‘Comparison of International/Global School System and other Boards of School Education.’**

The main topic of the **Third SDP** held on **16th Jan 2022 to 20th Jan 2022** is **‘To understand the functioning of various Boards of School Education in comparison to Global schools’**. The Topics chosen by the Expert Speakers are –

- a) Functioning of various Boards of School Education.
- b) Functional differences between various bodies of School Education
- c) To study the assessment systems in CBSC, ICSE, SSC and International Board.
- d) To study the norms and standards of various Boards of School Education
- e) To study the state-wise variations of various Boards of School Education.

The Action Plan by TES is to hold the three SDP for familiarization of students. The SDP

was held in three different sessions for the better transformation of the familiarization process. The three different colleges worked with host TEI. The resources are used from four colleges including this TEI and other three colleges involved in MOU.

Institute asked the teachers also to be part of SDP and keep vigilance as well as keep the record of attendance of students, online.

The attempt of TEI for familiarization to students with Indian and Foreign School systems and with great outcomes. TEI also made clear concepts to students about different State Boards, CBSE Board, NI OS Board and so on.
