

2.2.1 Assessment process is in place at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students.

2.2.2 Assessment process is in place at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students.

Assessment of the admitted students is an integral part after the admission process. Although the admissions are on merit, the NMFCE institution carries out separate assessment to understand the larger spectrum of their learning levels of the admitted students and accordingly organizes special programmes for advanced learners and weak learners.

The institution has made the following provision:

Content test: Content Test was conducted at the beginning of the program to identify students' knowledge and understanding in respective methodologies. Based on their performance and assessment, in the content test, different instructional strategies, methodologies, remedial activities and enrichment programmes are offered.

Induction programme/ Orientation: The institution organizes orientation program for the students at the commencement of the new batch every year and it gives idea about the two years B.Ed. Program and also takes every possible measure to understand the needs and requirements of the students before the commencement of the program.

College organizes one-week orientation program which begins with assembly wherein the seniors conduct prayer service followed by a warm welcome to the fresher's gathered. Interaction of Principal and faculty with students, self-introduction, orientation about college is carried out. Two year B.Ed. program outline and Syllabus Orientation, visit to Schools, Enacting, Talks by professionals which includes alumni on various themes, are the main areas focused upon.

Talent Hunt: Every year 'Talent Hunt' is organized by the college in the beginning of the session to recognize the talent in various areas of Drama, Art, Craft, Music, Dance, Folk Art, Heritage, Yoga and Literary Arts. Various curricular and co-curricular activities are organized to enhance the potential of learners. Students are encouraged to participate in Inter College, Intra College competitions. Students are encouraged to participate in the activities as per their interest, potential and capabilities. A series of talent search programmes in various fields i.e. sports, dramatics, literary and arts are organized every year in order to discover the hidden talents and potentialities of the students. Assessment techniques are used to identify the special abilities, personal feelings, personal goals, achievements, strengths and drawbacks, etc. and accordingly the skills of the students are enhanced at individual level too.

Advanced academic support is given to appear for quality competitive exams such as TET, CTET, and NET etc.

Microteaching Practice: Students are given an opportunity for practicing teaching skill with the help of micro teaching approach in the class as well as making individual presentations. Also, it provides simulated practice of peer teaching each one teach others and learn the

components of teacher behavior through an interactive process. Teacher educators assess their capabilities and teaching proficiency for competent pedagogical skills. Students are sent to various types of schools for internships with prior preparation and orientation on how to conduct themselves.

Internal Exams. During each of the semester Internal exams like Class test, essay tests are conducted for better performance of the students.

During Course teaching, teachers recommend several books to pupils in order to improve their comprehension and understanding of the subject. Different Web-links, resource materials are also provided to pupil teacher in order to expand the understanding of the subject. For illustrations, explanations and discussions, a bilingual approach is used to reach out to each and every student and bring them up to speed with the rest of the class. Individual, academic, and career counseling is provided on various occasions.

Comprehension Enrichment: Teachers recommend several books to pupils in order to improve their comprehension of the subject. Different Web-links are also provided to pupil teacher in order to obtain a thorough understanding of the subject. For explanations and discussions, a bilingual approach is used to reach out to each and every student and bring them up to speed with the rest of the class. Personal, academic counseling is provided on occasion.

Research Guidance The faculty helps the students to select relevant research areas for action research and publish papers in the field of their choice. Faculty encourages advanced readings in the relevant topics to enhance their understanding of the subject. They are encouraged to help and provide support to the weaker students by engaging in group discussions and presentations

For Slow learners-To cater the needs of slow learners, special remedial classes are organized by teachers. With the increase in number of students from Hindi medium schools, the medium of instruction is now bilingual. Remedial classes for English and Hindi both are also organized for the benefit of students.

For Moderate Learners-Well framed Time table which includes all type of activities and classes is top most priority. Peer tutoring is emphasized so that all types of learners can be benefitted. Guest lectures are also arranged for them.

For Advance Learner- Advanced learners are encouraged and facilitated to read beyond the requirements of the syllabus. They are provided with the open educational resources to read in detail. They are provided with the opportunities to participate in different types of events LIKE Seminars and Workshops are also arranged for them.

Identification of weak and advanced learners allows for the development of their skills. The faculty pays particular attention to how weak learners are performing. Teachers discuss the performance of weak learners with their parents. Advanced learners are encouraged to upgrade their knowledge and skills through value added courses, self study courses and research task provided by the college along with special lectures organized by expert resource persons.
