## REPORTS OF OUTREACH PROGRAMMES

**2017- 2018**

### 1. Community Service at Assesi bhavan Old age home : 17th August 2017

Assisi Bhavan is an Old Age home where senior citizens just need our time and attention! There are over 70 seniors citizens there. The NMFC volunteers are planning to spend quality time with the senior citizens.

Community work is voluntary service provided by anyone to people who are less privileged or fortunate. **Nirmala Memorial Foundation college of Education at Kandivali**, engages the interns in community service, to become active members of their community and thus have a lasting, positive impact on society at large. Community service or volunteerism enables students to acquire life skills and knowledge, as well as provide services to those who need it most.

In the two years B. Ed course, we get this opportunity twice – Semester 1 and Semester 3. We get divided into manageable groups, so that everyone gets a chance to do their fair bit. We carried out our community work in the following places:-

1. Aadhaar Vruddha Ashram
2. Abhang Bhavan
3. Assisi Bhavan Home For The Aged
4. Punarvas
5. Sadaphuli Karnbadhir Shaala
6. Sashi Mangalyam School

Located at Goregaon East, Mumbai, this is a home for the old and neglected citizens of our society. It belongs to the St. Joseph Training Institute and commenced in 1987. This

home can house up to 100 people and provides all the necessary amenities including medical care.

**Activities done** – Most of our time was spent in cleaning the premises, since there was no one to look into those matters. We swept floors, cleaned the dormitories, changed bed furnishings and curtains. We also interacted with the elders. On the last day, we gave them some essential commodities like food, toiletries, diapers etc. as required by them.

**Learning** – Time, the most precious commodity in today's world. We gave these abandoned people our time, and it gave us immense satisfaction. The saying rings true – 'Recognise that every interaction you have is an opportunity to make a positive impact on others. – Shep Hyken'

## 2. Visit to Special School- **Abhang** at Vasai

It runs a school and other welfare activities for these special children.

**Activities done** – We played games, cooked breakfast, helped in making paper bags and celebrated Christmas.

**Learning** – "The only disability in life is a bad attitude. – Scott Hamilton." These are words that ring true.
