

4.2.1

Institution has adopted automation of library using Integrated Library Management System (ILMS) or any other software

4.2.1 Library is automated using Integrated Library Management System (ILMS), subscription to e-resources, amount spent on purchase of books, journals and per day usage of library.

Library provides access to various books, materials, resources and digital media for research, information and knowledge. Libraries also provide services such as assistance in finding books of one's interest which can be done with the help of the librarian.

Our Nirmala Memorial Foundation College of Education has most systematic working environment to make learning hassle free and effective.

•Accession Register

Nirmala Memorial Foundation College of Education Accession Register is a crucial document which the library uses to keep track of the books and other materials added to their collection over time. It is a permanent record of every item the library acquires, including its title, author, publisher, publication date, and unique accession number.

•Issue Register

Nirmala Memorial Foundation College of Education library issue register helps the teacher to make teaching process effective as books are great asset in making notes and making them understand concepts clearly through books and reference.

Apart from records of books issued to members or students, Library issue registers are used by librarian to keep track of new books, DVDs, CDs, and other items that are added to their collection. They also help librarian to keep track of how often certain items are checked out and returned.

•Entry Register

An important function of a student registration system is that it reduces the chances of errors – both in filling the form as well as in systematic maintenance of library.

In our library, students on fill register check in and check our information help to keep the functioning of Library in process and gets work easy for the librarian.

•Geo tag Photo of Library

Our college uses it to make the information authentic and authorized.

•Links to websites for library use

We believe knowledge has no boundaries so we widen the horizon by giving them many opportunities like we have 2020 ok education.

Also we have good research base papers of Shodganga ,Shodsindu, e- journey likes DOAJ and so on.. and some data base.

Thus knowledge is powerhouse of mind ,heart and our college promotes that belief.
