**4.2.6 Efforts are made to make available National Policies and other documents on education in the library suitable to the three streams of teacher education- general teacher education, special education and physical education by the following ways**

1. Relevant educational documents are obtained on a regular basis
2. Documents are made available from other libraries on loan
3. Documents are obtained as and when teacher recommend
4. Documents are obtained as gifts to college

Library is knowledge resource according to father of library. Ranganathan-Library is a public institution charged with the case of collection of books and making them accessible for use.

In LMS, ICT, Internet age, Library means collection of e-books, e-journals, e-database, which can be access by ‘remote’ by anyone sitting in his/her study room, drawing room, class room.

In present context of ICT age, LMS age and Internet age there is no need to get documents on loan, borrow, gifts or even purchase in physical form. Internet subscription, Internet portals free access are available as and when need, store and refer.

Library becomes the open access for students, teachers, researchers and anyone who thrives for knowledge
