4.4.2 Systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. are in place

There are established systems and procedures for maintaining and utilizing physical, academic and support facilities such as laboratory, sports complex, computer, classroom etc. in the institute. The maintenance of physical, academic and support facilities are carried out by the respective departments with the help of in house staff on daily basis and periodically. In case of breakdowns standard procedure is followed to bring the equipment/machine in working condition.

Policy details :

Maintenance

→ In every academic year, adequate budget is sanctioned by the management of the college to ensure the maintenance and up-gradation of various facilities in the classrooms, laboratories, library etc.

→The college takes in account of the need for repair and replacement of furniture and other equipment available in the campus.

Facilities

→TEI has 'Annual Maintenance Contract' (AMC) for various facilities such as Water filters, House-keeping facilities, Waste management, CCTV and Air conditioning units and required repair in infrastructure facilities such as classrooms, toilets, and staircases on regular basis.

Academic

The College has a well-defined system in place for the maintenance and utilization of all its academic facilities. The classrooms are well equipped with all modern technology like the projector and sound systems. CCTVs are installed in each classroom to make sure of the safety and the security of all students, teachers and equipment. Annual Maintenance of all the modern teaching technology system about repairs and replacements are the basic attributes of classroom management.

Library

For overall smooth functioning of the library, well defined standard procedures of the working of library are communicated that serves its patrons for information requirements. Students are required to handle the books/ Journal very carefully; marking with pencil; writing or highlighting, tearing the pages or mutilating the same in any other way will be viewed very seriously.

Computers

Computers & Software Maintenance of computers (Hardware and Software), updating software related to administrative and overall maintenance of campus infrastructure. Annual maintenance for computers, Printers, and software are in place.

Sports

Sports TEI looks after maintaining the sports ground and sports equipment and organizes various indoor and outdoor sports competitions for students at intra and inter collegiate level. Safety equipment and sports gears are properly maintained.

Other Facilities : 1) Washroom Facilities
