

Criteria 5

5.4.4 Alumni Association acts as an effective support system to the institution in motivating students as well as recognizing, nurturing and furthering any special talent/s in them.

5.4.4 Alumni Association acts as an effective support system to the institution in motivating students as well as recognizing, nurturing and furthering any special talent/s in them.

Nirmala Memorial Foundation College of Education has an unrecognized alumni association. NMFCE prides itself on its vibrant and rapidly growing alumni network, which plays a key role in fostering connections between alumni, faculty, administration and current students. This report highlights various aspects of the university's alumni engagement initiatives and their positive impact on the development of the institution.

The college has a strong and active alumni community, which includes many members who have remained involved with the department even after graduation. This network serves as a platform to maintain relationships and connections between alumni, faculty, administration and student body. The Alumni participate in various activities such as preparing students for the internship. This participation shows the commitment of alumni to contribute to the growth and development of the college.

The annual alumni meeting is a key moment in the colleges alumni engagement. This meeting brings together alumni from different graduating classes, offering them an opportunity to renew themselves, share experiences and exchange ideas. At these meetings, alumni share knowledge of industry trends and needs and ensure that the college's educational programs match current demands. Above all, these gatherings also serve as a forum to acknowledge and recognize the achievements of outstanding alumni. Impact on curriculum and decision-making:

The active participation of alumni provides valuable perspectives that help maintain high academic standards and improve the overall quality of education provided by the institution.

The college invests heavily in fostering communication between alumni and current students. Regular meetings are held to facilitate discussions on a wide range of topics and encourage

students to excel academically and professionally. Alumni, by sharing their personal and professional journeys, inspire students to set ambitious goals and tackle challenges effectively. In line with Nirmala Memorial Foundation College of Education's commitment to holistic education, the alumni engagement initiatives have proven to be invaluable. Alumni involvement extends across diverse activities that greatly enrich the educational experience.

Alumni have initiated lecture series that bring current students face-to-face with industry experts, exposing them to contemporary trends and insights. Additionally, demo lectures conducted by alumni offer a practical dimension to theoretical learning, enhancing the pedagogical approach.

Sharing experiences holds significant value. Alumni willingly share their journey, challenges, and successes, serving as mentors and role models for present students. This interaction fosters a sense of camaraderie and inspiration, motivating students to strive for excellence.

Workshops organized by alumni contribute to skill-building and real-world readiness. Furthermore, the alumni's efforts in providing placement information form a crucial bridge between academic preparation and professional trajectories. By sharing insights into diverse career paths and industry expectations, alumni play a pivotal role in shaping students' career choices.

Overall, these activities collectively reinforce the institution's commitment to holistic development. These activities stand as a testament to the enduring bond between the college and its alumni, contributing substantially to the institution's growth and enriching the learning experience for all stakeholders.
