

### **Criteria 6.1.1**

**The governance of the institution is reflective of an effective leadership and participatory mechanism in tune with the vision and mission**

### **6.1.1 The governance of the institution is reflective of an effective leadership and participatory mechanism in tune with the vision and mission**

#### **Vision**

"To bring about Academic Excellence by empowering young minds through the dissemination of knowledge, skills and values to orient them to cope up with the challenges of modern society."

#### **Mission**

- \* To impart high-quality education and training to the teacher trainees to develop their competencies in accordance with the emerging trends in education,
- \* To provide competency to teachers for meeting the social, economic and academic needs of society.
- \* To develop leadership quality among pupil-teachers.

The vision and mission statement of Nirmala Memorial Foundation College of Education reflects its commitment to promoting academic excellence and empowering young minds through knowledge, skills, and values. The overall objective is to equip teacher trainees with high-quality education and training that align with the emerging trends in education.

#### **Dissemination of the vision and mission statement of the institution:**

The vision and mission statements are prominently displayed throughout the institution, including academic areas, administration, and the library, as part of the governance's effort to embed them into every noticeable corner of the college.

#### **Perspective Plan:**

The institution has a well-defined perspective plan encompassing both short-term and long-term goals, aligned with the vision and mission. Immediate plans include obtaining assessment and accreditation, while long-term planning focuses on providing quality education through teachers for years to come.

#### **Participatory mechanism:**

- Teachers actively participate in the governance and educational activities of the institution, embodying the role of educators who facilitate students' acquisition of knowledge, competence, and values through the teaching-learning process.
- Committees of teachers engage in various academic, curriculum, co-curricular, and extension activities, reflecting the participative approach to the college's functioning.

- These committees, such as the admission committee, examination committee, sports committee, and cultural committee, among others, demonstrate teachers' involvement in ensuring smooth operations and student welfare, all aligned with the institution's vision and mission.
- Faculty and students play crucial roles in key committees like the College Development Committee (CDC) and the Internal Quality Assurance Cell (IQAC), contributing their insights to shape the college's academic and administrative processes.
- Regular staff meetings provide a platform to gather valuable input and perspectives on important matters concerning academics and administration.
- The institution receives unwavering support from the Management of the Nirmala Memorial Foundation in pursuing this objective. The Management, Principal, Teachers, and administrative staff collaborate harmoniously to fulfil the institution's vision, mission, and goals through various activities.
- An open-door policy allows staff and students to approach the Principal with any concerns, and regular staff and committee meetings facilitate planning, execution, and feedback on institution activities.
- The college's anti-ragging committee also emphasizes zero tolerance towards ragging, in line with the institution's mission to provide a safe and supportive environment for all students.
