## **CLEAN CAMPUS POLICY**

### **PREAMBLE**

The Institute promotes a Clean and Green campus through adopting, practicing, and promoting environmentally friendly practices among students and staff to generate Eco-consciousness among them and in the world around them. The increasing human footprint on earth poses great environmental challenges that continue to grow over time. An unprecedented effort is required to alleviate the adverse effects that human activities have on the ecosystem, effects that in turn alter how we interact with the earth and with each other. The inclusion of all approaches to problem-solving will be necessary to effect a meaningful change.

### **OBJECTIVE**

The institution has structured a clean campus policy to achieve the following objectives:

- To maintain a clean and hygienic learning environment in the classrooms, library staff rooms, and office.
- To have safe and hygienic washroom facilities in the campus premises.
- To maintain a clean corridor, lifts, and open spaces.
- To educate students and staff on maintaining cleanliness across the campus.
